Alberta Advantage Immigration Program - Accelerated Tech Pathway Eligible National Occupational Classification (NOC) codes (effective as of November 16, 2022)

As of November 16, 2022, the federal government has updated the National Occupational Classification (NOC). 4-digit NOC codes are now 5-digit codes. Some occupations on the Accelerated Tech Pathway eligible occupations list have been split into new NOC codes or merged into a NOC code. The NOC 2016 skill type and skill level structure (NOC O, A, B, C and D) has been replaced with a NOC 2021 6-category system representing training, education, experience and responsibilities (TEER).

The NOC 2021 applies to all AAIP applications submitted on or after November 16, 2022. The list of eligible occupations has been updated to the NOC 2021.

Review Immigration, Refugee and Citizenship Canada's Find your NOC tool at www.canada.ca/en/immigration-refugees-citizenship/services/immigrate-canada/express-entry/eligibility/find-national-occupation-code-2021.html to find your occupation in NOC 2021 and understand how your occupation may be impacted by this change.

If you need assistance in determining the NOC code for your occupation, you can do a search by job title keyword or NOC code search on the NOC website at <https://noc.esdc.gc.ca/?GoCTemplateCulture=en-CA>.

Alberta Advantage Immigration Program

Eligible individuals can apply to be nominated to work and live in Alberta permanently.

Introduction

The Alberta Advantage Immigration Program (AAIP) is an economic immigration program that nominates people for permanent residence in Alberta. Nominees must have skills to fill job shortages or be planning to buy or start a business in Alberta. They must also be able to provide for their families. The program is run by the governments of Alberta and Canada.

If you are nominated through the program, you may apply for permanent residence status together with your spouse or common-law partner, and dependent children.

Immigration, Refugees and Citizenship Canada (IRCC) manages applications for permanent residence. The Government of Canada also makes final decisions on these applications.

Worker Streams Checklist

Follow the document checklist to help ensure you submit a complete application. If any of the required documents are missing, your application may not be accepted.

Review details on how to apply, and terms and conditions for all worker streams, by visiting the [AAIP Application Streams page](#). This checklist is not a substitute for criteria; it is a guide for preparing a complete application.

Provide a certified translation with any documents that are not in English or French and upload your translations with copies of the original documents. Visit the [Association of Translators and Interpreters of Alberta \(ATIA\)](#) to find a certified translator in Canada.

If the AAIP portal Document Checklist does not include an option/title to upload the type of document described below, you are still required to upload it as part of your application by using or combining it with an alternative option. Clearly label the file so it is easy to identify. Some tips and notes are described below to help you.

Applying for nomination does not guarantee the application will be approved, that you meet eligibility, that a nomination will be issued, or that permanent residence will be granted. AAIP reserves the right to request additional documents, beyond those listed below, to verify that an applicant meets program criteria.

Required documents		
1. Identification ✓ ALWAYS REQUIRED	Valid passport	• Upload the personal data information page and any pages showing the expiry and renewal date(s)
2. Language assessment ✓ ALWAYS REQUIRED	Official test scoring results from an eligible testing authority	• Upload a single valid test results document. Note: ○ AAIP does not accept 'One Skill Retake' ○ For Express Entry Stream applicants: Provide your spouse or common-law partner's valid test results document, if you claimed points in Express Entry for their language ability
3. Alberta work experience ✓ ALWAYS REQUIRED IF WORKING IN ALBERTA OR ELSEWHERE IN CANADA	Pay statements	• Upload your statements of earnings for each pay period in the past 3 months. Note: ○ Statements must meet Alberta's Employment Standards, showing the pay period, rate of pay, number of hours worked, deductions and any taxable benefits

2026-27 PROGRAM DATES, TUITION and FEES

The College reserves the right to change, amend or alter this information as necessary.

Tuition and fees are estimates by program and term, based on a full course load. Actual fees are specific to each student and billed to the My Olds College account approximately one month prior to each term start date.

Tuition and fees are for courses that start in the 2026-27 academic year (July 1, 2026 to June 30, 2027). Courses that start July 1, 2027 or later will be subject to new rates and charged in the 2027-28 academic year.

A \$200.00 late fee will be charged to the student account for tuition and fees not paid by the payment deadline.

Books and supplies are an estimate only, purchased directly by the student, and are not billed to the student account.
