### August 26, 2026

BCPNP releases Report and Year in Review 2022 released

The BC PNP has released its Statistical Report and Year in Review for 2022.

The report presents statistical information about the program, including the number of nominations issued, occupations, salaries, countries of origin, and regional distribution of nominees throughout the province. The Report also highlights strategic priorities set by the Province and performance measures used to monitor results.

The year's report continues the Year in Review series, first introduced in 2021, providing an overview of the BC PNP's key accomplishments in 2022, particularly in areas identified as program priorities.

The Report and previous reports from 2016 to 2024 are available on the [BCPNP](#) page.

### August 18, 2026

BCPNP receives additional allocation for 2026

The BC Provincial Nominee Program (BC PNP) has received an additional 1,200 contributions from the federal government, resulting in an allocation of 5,245 for 2026. These nominations will be applied to the updated program application announced on April 22, 2025.

The BC PNP plans to use its full allocation by December 31, 2026.

### August 13, 2026

BC PNP updates registration details for Temporary Rural Remote Health Support Initiative in October 2026

The BC Provincial Nominee Program (BC PNP) is extending the registration period for the Temporary Rural Remote Health Support Initiative. Registration for this initiative will now be accepted until 11:59 pm on October 7, 2026.

This extension is being made to account for any delays related to requests.

Information about the eligibility criteria for the Temporary Initiative is included in the Skills Immigration Program Guide. Information about how to submit a registration or application can be found in the Skills Immigration Application Guide. Both guides are available on the [BCPNP](#) page.

### June 24, 2026

B.C. Assessment Guide now available in its new language

The Province is expanding access to the 2025 B.C. Assessment Guide with the release of six language editions, helping people across the BC PNP's candidate access important information more easily.

Beginning June 2026, print and PDF versions of the guide will be available in French, Simplified Chinese, Spanish, Arabic and Tagalog. Available in English, Assessment can also be accessed in the guide online on other printed copies through [Microsoft](#). To further support accessibility, online translation is also available in more than 200 languages.

The B.C. Assessment Guide provides key information about settling in the province, including topics such as health care, housing, education, employment, driver's license and other services.

### June 15, 2026

BCPNP now accepting registrations for the Temporary Rural Remote Health Support Initiative

The BC Provincial Nominee Program (BC PNP) is now accepting registrations for the Temporary Rural Remote Health Support Initiative. Up to 250 candidates will be nominated under this initiative, and the first invitation will be issued in the coming weeks. Registration for this initiative will close on August 31, 2026 at 11:59 pm.

BC PNP applications are assessed against the criteria and positions in place at the time an application is submitted. The eligibility criteria for the Temporary Initiative can be found in the Skills Immigration Program Guide.

For instructions about how to submit a registration or application, please refer to the Skills Immigration Application Guide.

Current and previous editions of all guides can be found on our [BCPNP](#) page.

### May 28, 2026

New edition of BC PNP Skills Immigration Guides now in effect

The BC Provincial Nominee Program (BC PNP) has released its updated Skills Immigration Program Guide, providing detailed information of the program changes implemented on April 22, 2025. The updated guide is effective as of May 28, 2026.

The updated guide also explains the eligibility criteria and requirements for the Temporary Rural Remote Health Support Initiative. Registration for the temporary initiative will be open from June 15 to August 31, 2026.

In addition, the BC PNP has updated the Skills Immigration Application Guide (formerly the BC PNP Technical Guide) to reflect current application processes.

BC PNP applications are assessed against the criteria and positions in place at the time an application is submitted. Current and previous editions of all guides can be found on the [BCPNP](#) page.

[Upcoming Webinar](#)

The BC PNP will host a webinar regarding the program's CARE initiative, with a primary focus on the Temporary Rural Remote Health Support Initiative. The webinar will take place on June 16, 2026 and is intended for:

- Prospective applicants who meet the eligibility criteria
- Applicants supporting BC PNP applications

[Sign up for this webinar](#)

Please note that registration may be limited to the intended audience. Additional webinars may occur later in the year based on demand.

### April 23, 2026

BC Provincial Nominee Program Priorities and Program Updates

The BC Provincial Nominee Program (BC PNP) has released strong economic outcomes and has been updated to support B.C.'s key strategic priorities with a renewed focus on attracting top talent and addressing critical labour market needs. These updates are provided by the BC PNP.

- (1) Care—strengthening healthcare and other services within the care economy
- (2) Build—supporting the delivery of infrastructure and major projects, and
- (3) Innovate—advancing innovation in high-tech and emerging growth

These changes will benefit all regions of B.C., with at least 50% of all nominations anticipated to be for candidates working in innovative sectors across the province.

[Care](#)

The BC PNP will prioritize skilled workers that support public services and community well-being. This includes [Skilled Healthcare](#) candidates in healthcare, education, childcare, and retirement care.

The BC PNP Health Authority stream will continue to nominate qualified healthcare professionals who work in the public sector directly delivering healthcare services. The program will also nominate select healthcare occupations working in the broader health sector.

Certified early childhood educators, veterinarians and veterinary technologists who are working toward Canadian certification will be prioritized.

The BC PNP will also leverage additional federal allocations that are available to support [Technoskills](#) recruitment by prioritizing French-speaking teachers working for the province's public K-12 school system.

[Temporary Care Worker Initiative](#)

The BC PNP will deliver a pilot initiative to recruit up to 250 workers already working for a health authority in the province or currently in a rural or remote community area across the province. This initiative will open in June 2026 to registrations using the BC PNP expression of interest system. More information will be provided before intake opens.

[Build](#)

To support construction delivery and major infrastructure projects, the BC PNP will prioritize certified workers in [Skilled Construction](#) and [Skilled Trades](#).

[Innovate](#)

Attracting top talent across all sectors is key to driving innovation and long-term economic growth in B.C. The BC PNP will continue to include high economic impact occupations to help B.C. attract top talent and address critical labour market needs. Professionals and entrepreneurs can be nominated to support economic growth as part of the province's Look West strategy.

[Other Program Changes](#)

The BC PNP is making several important program changes that are aligned with the program's updated objectives and limited number of available contributions.

- The 1915 point system will remain in effect until 2026.
- The set of occupations for this stream were revised on December 18, 2024. A 150 list will open to review from the registration system and Program Guide. Individuals who were planning to apply under the 150 list were may wish to explore alternative pathways to immigrate to B.C.
- The BC PNP will add the following new economic streams:
  - International student graduates may wish to explore alternative pathways to immigrate to B.C. through existing BC PNP streams.
  - Employers in British Columbia (B.C.) can apply for positions to receive additional allocations points under the BC PNP.
- The final draw for the BC PNP priority technology occupations occurred on December 8, 2024. Going forward, the BC PNP will continue to have a targeted initiative for individuals meeting high economic impact in B.C. to select for top talent across all sectors, including technology. All occupations on the previous technology occupations list remain eligible for the BC PNP.
- The BC PNP will continue to accept applications for the [Skilled Trades](#) stream. The program will be expanding the set of eligible occupations and streamlining its focus on occupations in priority, strengthen program integrity, and ensure that British Columbia has opportunities in these roles.

More details about the changes will be included in an updated BC PNP Skills Immigration Program Guide which will be posted on the [BCPNP](#) page.

[Strong Outcomes](#)

Since 2022, the BC PNP added to its main strategy in its selection through prioritization of key occupations to support government priorities. The program has nominated:

- 1,887 Healthcare professionals, including 475 doctors and 1,228 nurses and nurse practitioners
- 2,077 Skilled Trades workers
- 841 international students who are currently working in B.C.
- 26 veterinarians and 19 veterinary technologists, many working outside Metro Vancouver
- Over 50% of Skills Immigration nominees are working in regional communities, supporting population and economic growth across B.C.

[Looking Ahead](#)

B.C. continues to collaborate with the federal government for increased provincial nominee allocations in 2026 and future years to support public services, major projects and infrastructure, economic growth, and regional communities across the province.

### February 26, 2026

March in Focus Presentation Month

March is Focus Presentation Month for the BC PNP. This year, the BC PNP is focusing on helping immigrant and prospective immigrants identify, assess, and report immigration options.

Please visit our [BCPNP](#) page for more information, print a focus awareness brochure, or take a focus awareness quiz to test your knowledge.

### January 22, 2026

BCPNP updates Skills Immigration application fee

Effective January 22, 2026, the BC Provincial Nominee Program (BC PNP) is increasing the Skills Immigration application fee from \$1,475 to \$1,516.

The BC PNP provides a registration pathway for skilled international workers and eligible foreign entrepreneurs seeking permanent residency for themselves and their dependents. It is a strategic immigration tool for attracting skilled high-potential individuals and their supporting families to the province, promoting economic growth and regional communities.

For detailed fee information, please visit the [BC PNP](#) fee [details](#) page.

To see fees from previous years, please visit the [BCPNP](#) page.

news

Invitations to apply

Periodically, the BC PNP invites candidates in its registration pool to apply to the program. Candidates that are deemed most likely to meet B.C.'s economic and labour market needs are selected based on their registration information.

Invitations to apply ETA are issued to both Skills Immigration and Entrepreneur Immigration registrants. To find out if you're invited as ETA, please log into your [IR 1907 Follow Up Profile](#).

invitations

### Applications that are not approved

If your application is *not* approved, and you believe the decision was not fair or reasonable, you can request a review of the decision. This is explained in [part 7 of this guide](#).

The BC Provincial Nominee Program is only one means of applying for permanent resident status in Canada. You may wish to explore the programs offered through Immigration, Refugees and Citizenship Canada (IRCC) by consulting their website at [www.ircc.canada.ca](http://www.ircc.canada.ca).

## Part 6: Documentation Requirements by stream

You must provide documentation to verify the information you declare in your registration and application.

The following tables list the minimum documentation required for each stream. The tables are separated in two sections. One includes documents that must be provided by you, and the other includes documents that must be provided by your supporting B.C. employer.

BC PNP staff may request additional information or documents through email to substantiate the information provided in your registration or application. If the required documentation is not provided, or if information you declared cannot be verified, your application may be considered incomplete and will not be approved.

### Preparing documents for submission

This section explains how to prepare documents for submission to the BC PNP. Whether you are uploading documents to your application, or responding to an email request from BC PNP staff, all documents must be:

- Clear, scanned copies
- Saved as a PDF
- Less than 3MB for each individual file
  - This is enough for most documents scanned at 300dpi or lower
- In English
  - If your documents are not in English, you must provide a certified translation with photocopies of the originals.
  - Translated documents must be stamped and certified by a person officially authorized to notarize documents as accurate translations.
  - Translators who are certified members in good standing of one of the provincial or territorial organizations of translators and interpreters of Canada do not need to supply an affidavit.
  - Translated documents must contain the date of translation, the translator's signature and certification number.

Please do not submit any documents containing identifying personal information of individuals who are not the BC PNP applicant. Personal information that is not related to the BC PNP applicant should be redacted.

For additional information, please refer to [the section on document descriptions](#).

BC PNP forms can be found on the [documents page of our website](#).

### Skilled Worker stream

| The applicant must provide:     |                                                                                                                                                                             |
|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                 | Express Entry candidacy from IRCC ( <i>if using Express Entry BC</i> )                                                                                                      |
|                                 | Canadian immigration records (if applicable)                                                                                                                                |
|                                 | Valid B.C. or Canadian driver's licence (if required by the employment job offer)                                                                                           |
|                                 | Biographical page of passport                                                                                                                                               |

|                                    | Spouse's employment offer letter from a Canadian employer (if applicable)                                                                                                       |
|                                    | Evidence of meeting BC PNP-eligible Professional Designation (if applicable)<br><br>For example, trades apprentices must submit a Skilled Trades BC Official Program Transcript |

|                                        |                                                                            |
|----------------------------------------|----------------------------------------------------------------------------|
|                                        | Evidence of meeting Regional Experience or Regional Alumni (if applicable) |
|                                        | Use of Representative – Applicant form (if applicable).                    |
| <b>The B.C. employer must provide:</b> |                                                                            |
|                                        | BC PNP Employer Declaration Form                                           |
|                                        | Recommendation letter                                                      |
|                                        | Signed job offer                                                           |
|                                        | Detailed job description                                                   |
|                                        | Company information*                                                       |
|                                        | Certificate of Incorporation (or legal equivalent)*                        |
|                                        | Evidence they are able to legally operate a business in B.C.*              |
|                                        | Wage statements for the previous nine months                               |
|                                        | Evidence of recruitment efforts (if applicable)*                           |
|                                        | Use of Representative – Employer form (if applicable)                      |

\*If your employer is a public health authority, you can re-upload the signed Employer Declaration Form in lieu of these documents

## Description of documents

### Description of required documents about the applicant

**Use of Representative – Applicant form:** If you are authorizing someone to represent you throughout the BC PNP process, you must submit this form. Please refer to part 2 of the [Skills Immigration Program Guide](#) for information about declaring a representative.

Please note: The Use of Representative – Applicant form is uploaded to your profile in the BCPNP Online user portal instead of your registration or application form.

BC PNP forms can be found on the [documents page of our website](#).

**Biographical page of passport:** The biographical page of your passport is the page in the passport with the name, photo, passport/travel document number, issue date, expiration date, and signature.

**Canadian immigration records:** Copies of all Canadian immigration records must be provided. This includes all work permits, study permits or visitor records that you have recently obtained.

[Benchmark \(CLB\) level 4](#) in each of the four competencies: listening, speaking, reading, and writing.

#### **Language requirements for occupations classified under NOC TEER 0 or 1**

If the position offered to you is classified under NOC TEER 0 or 1, you are not required to submit valid language test results at the time of registration **unless you are claiming points for language**. Providing valid language test results may increase your registration score. If you are claiming points for language, you must provide the BC PNP with a copy of your language test results at the time of application.

At its discretion, the BC PNP may require you to provide valid language test results during the application assessment to determine whether you have the language proficiency to perform the duties of your job offer. If the BC PNP requests language test results, [CLB Competency Tables](#) will be used to determine the minimum language proficiency level for the position.

#### **Accepted Language Proficiency Tests**

The valid language test results must be from one of the following language proficiency tests administered by a designated testing organization:

##### [Canadian English Language Proficiency Index Program \(CELPIP-General\)](#)

- You must take the CELPIP General test
- We do not accept the General LS test

##### [International English Language Testing System \(IELTS\) General Training](#)

- You must take the General Training option
- We do not accept the Academic test
- We do not accept the IELTS One Skill Retake

##### [Pearson Test of English \(PTE\) Core](#)

- You must take the PTE Core
- We do not accept the PTE Academic

##### [Test d'évaluation de français \(TEF\) Canada](#)

- You must take TEF Canada
- We do not accept TEF Quebec or TEF Intégration, Résidence, Nationalité

##### [Test de connaissance du français \(TCF\) Canada](#)

- You must take TCF Canada
- We do not accept TCF Quebec, TCF Integration, Residence, and Nationality or TCF "tout public"

All designated language testing organizations provide accommodations for people with physical or mental disabilities. Please contact your testing organization to request further information.

To consider your spouse or common-law partner’s wage as part of your family income, your spouse or common-law partner must have a valid work permit or valid employment authorization, and must be currently employed in B.C.

**In calculating your family income, the BC PNP will only consider regular gross annual wages.** See [section 3.9 for information regarding what can be considered as part of your wage](#).

For the purposes of determining your family income, your annual wage must be calculated using your hourly wage and the number of hours worked in a week to a maximum of 40 hours/week x 52 weeks per year.

The table below outlines the minimum family income for your family size and area of residence in B.C.

| Minimum Family Income by Area of Residence |                                                   |              |
|--------------------------------------------|---------------------------------------------------|--------------|
| Size of Family                             | <a href="#">Metro Vancouver Regional District</a> | Rest of B.C. |
| 1                                          | \$31,264 CAD                                      | \$26,057 CAD |
| 2                                          | \$38,922 CAD                                      | \$32,437 CAD |
| 3                                          | \$47,851 CAD                                      | \$39,878 CAD |
| 4                                          | \$58,096 CAD                                      | \$48,418 CAD |
| 5                                          | \$65,892 CAD                                      | \$54,914 CAD |
| 6                                          | \$74,315 CAD                                      | \$61,935 CAD |
| 7 or more                                  | \$82,739 CAD                                      | \$68,955 CAD |

The income amounts in this table were calculated from the 2024 Low-Income Cut-Off (LICO) figures set by Statistics Canada. This table is updated regularly to reflect the latest LICO figures.

Your spouse or common-law partner and dependent children are included in your family size, whether or not they come with you to live in B.C. If you are separated or divorced, your spouse will be included in the size of your family unless you provide a signed Statutory Declaration of your official separation, a Divorce Certificate, or an equivalent official document indicating that the relationship has ended. For the purpose of calculating family size, dependants who are Canadian citizens or permanent residents are not included in the calculation.

**Applications will not be approved where the BC PNP has reasonable grounds to believe that your offered wage has been inflated or increased for the purpose of meeting the minimum income requirements.**

### 3.11 Ineligible Occupations

Some NOCs are not eligible for nomination under any Skills Immigration stream. This includes all occupations included within the NOC. If it is determined that your job offer is classified under one of the NOCs listed below, your application will be refused:

#### Administrative Professionals

- 12100 Executive assistants
- 12101 Human resources and recruitment officers
- 12200 Accounting technicians and bookkeepers
- 13100 Administrative officers
- 13110 Administrative assistants
- 13111 Legal administrative assistants
- 13112 Medical administrative assistants

#### Sales and Service Workers

- 62010 Retail sales supervisors
- 62020 Food service supervisors
- 63101 Real estate agents and salespersons

#### Religious occupations

- 41302 Religious leaders
- 42204 Religious workers

**Note:** This list of ineligible occupations is in effect for applications submitted after June 13, 2026.

### 3.12 Eligible Employment Situations

**For your employment to be eligible for the BC PNP, it must be a situation in which:**

- You are receiving or entitled to wages for work performed in B.C. for an organization
- You do not hold or exercise control over an ownership stake of 10 per cent or greater in the organization supporting your application
- The employer supporting your application pays your wages and also directs and supervises your work
- The employer supporting your application has a significant operational presence in British Columbia
- Your work constitutes a direct economic benefit to British Columbia. The onus is on your employer to demonstrate that your employment will provide economic benefit to B.C. Please see [section 6.1](#) for more information.

Your application will not be approved if you are working under the direct, regular supervision of an organization that is not established in British Columbia. See [section 6.2](#) for further details.

#### 4.1 Skilled Worker Stream

The BC PNP Skilled Worker stream is for experienced workers in a professional, management, technical, trade or other skilled occupation.

##### 4.1 (a) You must meet the General Requirements

You must meet the General Requirements listed in [Part 3](#) of this Program Guide.

##### 4.1 (b) You must be offered a job in an eligible skilled occupation (NOC TEER 0, 1, 2, or 3)

You must have a valid job offer in an eligible occupation. Please refer to [section 3.5](#) for a list of ineligible occupations.

Some occupations do not require an indeterminate job offer to be considered for nomination. For more information, please see [section 3.5 \(c\) job offer duration](#).

##### 4.1 (c) You must have a minimum of two years of full-time (or full-time equivalent) work experience in any skilled occupation (NOC TEER 0, 1, 2, or 3)

This experience may be from work performed within Canada or abroad and must have been obtained within the last ten years. Please see [section 3.8](#) for more information about work experience requirements.

Please note that this two-year skilled work experience requirement is separate from the directly related work experience that is scored at registration. Please see [part 8 Registration Scoring Factors](#) for more information about how directly related work experience is used to calculate your score.

##### 4.1 (d) Your employer must meet the Employer Requirements

The [employer requirements](#) are listed in [Part 6](#) of this Program Guide.

##### 4.1 (e) Additional requirements if you are using the Express Entry BC (EEBC) option

To use the EEBC option, you must have a valid IRCC Express Entry Profile Number and a Job Seeker Validation Code. These indicate that you meet the eligibility criteria for one of the federal economic immigration programs subject to IRCC's Express Entry system.

For more information, see [Part 5: Using the Express Entry BC option](#).

If you are not using the EEBC option, you do not require an IRCC Express Entry Profile Number or a Job Seeker Validation Code.

## 4.2 Health Authority Stream

The Health Authority stream is for health professionals who are part of B.C.'s public healthcare system. If you have a regular, indeterminate, full-time job offer in an eligible health occupation from a public health authority in B.C., you may be eligible for this stream.

If you are a physician, nurse practitioner, or midwife, and are not directly employed by a B.C. public health authority, you may also be eligible to apply under the Health Authority stream.

You do not need to register for this stream. If you meet all requirements, you can submit an application directly to the BC PNP. See [section 7.4](#) for more information.

### 4.2 (a) You must meet the General Requirements

You must meet the General Requirements listed in [Part 3](#) of this Program Guide

### 4.2 (b) You must demonstrate that you have obtained support from your health authority employer to apply to the BC PNP

Your health authority must agree to support your BC PNP application before you apply.

Each health authority has its own process to determine which applications it will support, and health authorities **are not obligated** to support BC PNP applications. It is your responsibility to ensure that you have followed the process for your health authority. Contact the human resources department at your health authority to confirm this process.

B.C.'s public health authorities include:

- [Provincial Health Services Authority](#)
- [First Nations Health Authority](#)
- [Fraser Health](#)
- [Interior Health](#)
- [Island Health](#)
- [Northern Health](#)
- [Vancouver Coastal Health](#)
- [Providence Health Care](#)

Each health authority has delegated a limited number of individuals with the authority to determine which BC PNP applications will be supported. Only these individuals are authorized to sign your Employer Declaration Form.

Note: [BC Health Careers](#) offers free recruitment information, services and support on behalf of B.C.'s health authorities.

### 4.2 (c) Direct employees of B.C. health authorities: You must be offered a regular, indeterminate, full-time job in an eligible occupation

You must be a direct employee of one of B.C.'s public health authorities listed in section 4.2 (b).

You must have a regular, indeterminate, full-time job offer in one of the following eligible health occupations:

- An occupation identified by the [NOC as a health occupation](#) (any NOC that starts with a 3)

### 4.3 Temporary Rural/Remote Health Support Initiative

This initiative is a temporary stream for B.C. **health authority employees** who are currently working in an eligible cleaning or security occupation in a rural/remote part of the province.

Please note that the Express Entry BC (EEBC) option is not available for this initiative.

#### 4.3 (a) You must meet the General Requirements

You must meet the General Requirements listed in [Part 3](#) of this Program Guide.

#### 4.3 (b) You must demonstrate that you have obtained support from your health authority employer to apply to the BC PNP

Your health authority must agree to support your BC PNP application before you apply. Each health authority has its own process to determine which applications it will support, and health authorities **are not obligated** to support BC PNP applications. It is your responsibility to ensure that you have followed the process for your health authority. Contact the human resources department at your health authority to confirm this process.

B.C.'s public health authorities are:

- [Provincial Health Services Authority](#)
- [First Nations Health Authority](#)
- [Fraser Health](#)
- [Interior Health](#)
- [Island Health](#)
- [Northern Health](#)
- [Vancouver Coastal Health](#)
- [Providence Health Care](#)

Each health authority has delegated a limited number of individuals with the authority to determine which BC PNP applications will be supported. **Only these individuals are authorized to sign your Employer Declaration Form.**

#### 4.3 (c) You must be currently working in a regular, indeterminate, full-time job in an eligible occupation with one of B.C.'s provincial health authorities

You must be a direct employee of one of the health authorities listed in 4.3 (b). Employees of contractors providing services to one of B.C.'s health authorities are not eligible.

Only the following occupations are eligible under this initiative:

- 64410 Security guards and related security service occupations
- 65310 Light duty cleaners
- 65312 Janitors, caretakers and heavy-duty cleaners

Your B.C. health authority employer must provide you with a signed job offer on official letterhead. For full details on the job offer requirements, refer to [section 3.5](#) and [section 6.6](#).

**4.3 (d) Your current work location must be in a rural/remote part of the province with the same health authority that has signed your job offer letter.**

If your work location is in one of the regional districts listed below (other than some islands within the Capital Regional District), you are **not** eligible under this initiative.

- [Capital Regional District](#)
  - Please note that within the Capital Regional District, some work locations are considered rural/remote for this initiative. They are Galiano Island, Mayne Island, Pender Island, Salt Spring Island, and Saturna Island.
- [Central Okanagan Regional District](#)
- [Metro Vancouver Regional District](#)

More information about regional districts in B.C. can be found here:

<https://www2.gov.bc.ca/gov/content/governments/local-governments/facts-framework/systems>

**4.3 (e) Immediately prior to registering with the BC PNP, you must have been working full-time, year-round, for at least nine (9) consecutive months, in an eligible occupation with the same health authority employer**

This nine-month period of consecutive work experience **must be in an eligible rural/remote work location**. Please see section 4.3 (d).

The BC PNP may allow for changes in your employment from one eligible occupation to a different eligible occupation with the **same employer** during the nine-month qualifying period.

Annual vacation leave will generally count toward meeting this nine consecutive month employment requirement. For example, if you worked for nine months for the supporting employer, and during that nine-month period you took a two-week vacation, you would still meet the nine-month employment requirement.

During the nine-month period, any type of leave longer than two weeks will not be counted towards the nine-month employment requirement. For example, if you worked for two months, then took a six-month parental leave, you would have to work for an additional seven months upon returning to work before you would be eligible for this initiative.

Medical/parental/maternity/extended vacation leave that is supported by documentation is an acceptable break in employment, however such leave does not contribute towards the accumulation of nine months of work experience for this initiative. You must still obtain the entire nine months of work experience and must be working full-time at the time you register and apply to the BC PNP.

Employment that is part of a program of study (such as co-op) or obtained while in Canada on a study permit does not qualify towards the nine-month consecutive employment requirement.

**4.3 (f) Throughout the BC PNP application process you must continue working:**

- Full-time

### Valid business licence

Your employer must have a valid municipal business licence or, if applicable, municipal licence agreement, that allows your employer and their employees to engage in business at a fixed location in B.C. If your employer is exempt from obtaining a business licence from the municipality, your employer should cite the municipal policy or regulation that allows the exemption.

### Regulated businesses/industries

If your employer's business operates in a regulated industry, you must demonstrate that your employer has approval from the industry's governing body to operate.

### Child care facilities

If you are employed as an early childhood educator or assistant (NOC 42202), your employer must be licensed by a provincial health authority to operate a child care facility.

## 6.6 Supporting Documentation

Your employer must provide you with supporting documentation about the employer's organization and about your job offer. These documents must be included in your application. The required documents include, but are not limited to:

- Signed job offer letter ([see section 3.5](#))
- Signed Employer Declaration Form ([see section 6.4](#))
- Recommendation letter
- Detailed job description
- Company/Organization information
- Certificate of Incorporation
- Municipal business licence

Please refer to the [BC PNP Skills Immigration Application Guide](#) for a complete list and description of additional documents your B.C. employer must provide.

## 6.7 Minimum Number of Years in Operation in British Columbia

Your employer must have operated in B.C. for at least one year.

Your employer may be required to provide additional documentation as evidence that the organization meets this requirement.

## 6.8 Minimum Number of Full-Time Employees in British Columbia

If your employer is located within the [Metro Vancouver Regional District](#), your employer must have at least **five** indeterminate, full-time employees (or full-time equivalents) who are performing their work from within B.C.

## 6.10 Make Genuine Efforts to Recruit Locally

BC PNP nominations must not adversely affect employment or development opportunities for Canadian citizens and/or permanent residents living in British Columbia. For that reason, your employer must make genuine and bona fide efforts to recruit from the local labour market.

Your employer can demonstrate that genuine and bona fide recruitment efforts were made by providing evidence such as the following:

- Specific efforts made to identify a Canadian citizen or permanent resident for the position
- Recruitment methods and duration that are consistent with industry standards and practices
- Qualifications listed in recruitment ads that:
  - are reasonable
  - are consistent with the occupation, i.e. targets an audience that has the appropriate education, professional experience or skill level for the occupation
  - do not include preferences that are not supported by the NOC, WorkBC or other industry standards
  - do not include preferences such as the ability to speak a language other than the official languages of English or French, unless the language is directly related to the job duties
  - do not require a candidate to have a foreign network or foreign work experience, and
  - are not specifically catered to a particular candidate
  - an adequate level of scrutiny exercised when verifying the qualifications of all potential candidates

### Acceptable Recruitment Activities

While there are many types of recruitment activities, posting recruitment advertisements is a common practice in order to reach a large number of prospective candidates who are outside an employer's network.

At a minimum, recruitment advertisements should be posted on at least two acceptable recruitment advertisement locations for at least 14 days.

Acceptable recruitment advertisement locations include:

- Recognized job posting websites
- Professional association websites
- National newspapers, professional journals or newsletters

Recruitment advertisements should include:

The position offered to you must align with – and be needed to maintain or grow – your employer's existing line of business. New lines of business may not be supported.

Positions performing work that is normally performed by outside contractors, or where the need for the position on an ongoing, full-time basis has not been demonstrated, may not be approved.

You and your employer must also be able to demonstrate that your position meets an eligible employment situation, as described in [section 3.10](#).

## **6.12 Ineligible Employers**

The BC PNP maintains the discretion to intervene and prohibit any employer from supporting an application in the circumstances described below. In addition, previous nominations may be cancelled if the BC PNP later finds that the supporting employer met the description of an ineligible employer at the time of nomination.

### **6.12 (a) Sexually oriented businesses**

Employers involved in producing, distributing, or selling pornographic or sexually explicit products, or providing sexually oriented entertainment or services are not eligible to support an application to the BC PNP.

### **6.12 (b) Placement agencies**

Placement agencies, employment agencies, staffing firms, professional employment organizations (PEOs), and similar firms, are not eligible to support an application to the BC PNP.

### **6.12 (c) Organizations that provide immigration advice/services**

If your supporting employer directly employs immigration consultants or immigration lawyers, or if the employer's services include providing immigration advice, they are not eligible to support a BC PNP application.

In some cases, and at its sole discretion, the BC PNP may permit an employer that provides immigration advice/services to support a BC PNP application. Factors that may be considered include:

- Immigration services are not the main line of business for your employer, and your employer provides a broad range of services that are not related to immigration
- Immigration services provided by your employer are only for the purpose of meeting internal workforce needs
- Your job offer does not include providing immigration services, and the unit in which you work does not support the unit that provides immigration services
- Your supporting employer is a large organization

## Part 8: Registration Scoring Factors

Your registration will be scored based on the information you provide. The factors below outline how your score will be calculated. You are not required to upload any documentation during the registration process.

If you are invited to apply, all the information you have provided in the registration will be verified against the information provided in your application. The maximum score available is 200.

| Scoring Sections            |                                           | Max. Points |
|-----------------------------|-------------------------------------------|-------------|
| Human Capital Factors (120) | Directly Related Work Experience          | 40          |
|                             | Highest Level of Education                | 40          |
|                             | Language Proficiency in English or French | 40          |
| Economic Factors (80)       | Hourly Wage of the B.C. Job Offer         | 55          |
|                             | Area Within B.C.                          | 25          |
| Total Points Available      |                                           | 200         |

### Human Capital Factors

Human capital factors are the skills, experience, education and competencies that individuals contribute to B.C.'s economy. These factors support successful settlement and integration of nominees in the province.

#### 8.1 Directly related work experience

This factor recognizes that individuals with directly related work experience have a higher likelihood of successful labour market attachment in B.C.

You will receive points based on your years of full-time (minimum of 30 regular hours per week) and part-time work experience, as it directly relates to the job you have been offered in B.C. This experience may be from work performed within Canada or abroad.

The BC PNP defines directly related work experience as paid employment that is classified under the **same NOC code** as the B.C. job offer that you have accepted. Experience in a related occupation at a NOC TEER category equal to or higher than the NOC TEER category of the B.C. job offer may also be included if, at the time of application, you can satisfactorily demonstrate how this work experience is directly related. For NOC TEER 0 job offers, work experience in a related NOC TEER 1 occupation may also be considered.

### Additional points for eligible professional designations in B.C.

You may be eligible for additional points if you have been offered a job in an occupation listed on the table below, and you have completed the corresponding B.C. professional designation that is **associated with the job offered to you**.

| Occupation                                                               | Eligible Professional Designations in B.C.                                                                                                                                                                                                                                                                                |
|--------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Any Trade                                                                | Trades workers who have a valid trade certificate issued by <a href="#">SkilledTradesBC</a> or trades apprentices registered with SkilledTradesBC <ul style="list-style-type: none"><li>A valid trade certificate includes Red Seal endorsement certificates issued by other Canadian provinces and territories</li></ul> |

| Practical Nurses:<br>NOC 32101                                           | Practical Nurses licenced with <a href="#">The British Columbia College of Nurses and Midwives</a>                                                                                                                                                                                                                        |
| Traditional Chinese medicine practitioners and acupuncturists: NOC 32200 | Practitioners licensed through <a href="#">The College of Traditional Chinese Medicine Practitioners and Acupuncturists of BC</a>                                                                                                                                                                                         |
| Veterinary technicians:<br>NOC 32104                                     | Veterinary Technicians registered with <a href="#">British Columbia Veterinary Technologists Association</a>                                                                                                                                                                                                              |

### Regional alumni:

To qualify for regional alumni points, you must have graduated from a **public** B.C. post-secondary institution:

- Located outside of the MVRD
- That you attended while you were residing outside of the MVRD
- Within 3 years prior to registering with the BC PNP

You are not eligible for regional alumni points if you graduated from a private institution.

Programs of study that are eligible for regional alumni points must be at least 8 months (two semesters) of full-time equivalent coursework, excluding co-op work terms, practicums and internships.

You are not eligible for these additional points if you completed a language training program (e.g. English as a Second Language (ESL), or English as a Foreign Language) or distance education learning program. You may be requested to provide a letter from your educational institution that confirms your program meets this requirement.

| Area of employment within B.C.                                        | Points    |
|-----------------------------------------------------------------------|-----------|
| <b>Area 1:</b> Metro Vancouver Regional District                      | 0         |
| <b>Area 2:</b> Squamish, Abbotsford, Agassiz, Mission, and Chilliwack | 5         |
| <b>Area 3:</b> Areas of B.C. not included in Area 1 or 2              | 15        |
|                                                                       |           |
| <b>Additional points:</b>                                             |           |
| Regional Experience, or                                               | 10        |
| Regional Alumni                                                       |           |
| <b>Maximum Score Available</b>                                        | <b>25</b> |

If you qualify for both regional experience and regional alumni points, you will only receive points for one factor (max 10 points).

## Appendix A: Limited term job offers

Job offers in some occupations do not need to be indeterminate, as long as all of the following criteria are met:

- Your job offer is for a single job in one of the occupations listed in this appendix
- Your job offer is at least one year in duration (365 days)
- There are at least 120 calendar days remaining on your job offer at the time of application
- You meet any relevant occupation-specific criteria listed in this appendix
- You meet all other program criteria

### University Professors and Lecturers

41200 University professors and lecturers

- Your job offer must be from a public university in B.C.
- You must have a doctoral level degree

### Teachers

41220 Secondary school teachers

41221 Elementary school and kindergarten teachers

- For both these occupations, your job offer must be from a public K-12 school in B.C.

### Technology

10030 Telecommunication carriers managers

20012 Computer and information systems managers

21100 Physicists and astronomers

21210 Mathematicians, statisticians and actuaries

21211 Data scientists

21220 Cybersecurity specialists

21221 Business systems specialists

21222 Information systems specialists

21223 Database analysts and data administrators

21230 Computer systems developers and programmers

21231 Software engineers and designers

21232 Software developers and programmers

21233 Web designers

21234 Web developers and programmers

21300 Civil engineers

21301 Mechanical engineers  
21310 Electrical and electronics engineers  
21311 Computer engineers (except software engineers and designers)  
21320 Chemical engineers  
21399 Other professional engineers  
22110 Biological technologists and technicians  
22220 Computer network and web technicians  
22221 User support technicians  
22222 Information systems testing technicians  
22310 Electrical and electronics engineering technologists and technicians  
22312 Industrial instrument technicians and mechanics  
50011 Managers – publishing, motion pictures, broadcasting and performing arts  
51111 Authors and writers (except technical)  
51112 Technical writers  
51120 Producers, directors, choreographers and related occupations  
52119 Other technical and coordinating occupations in motion pictures, broadcasting and the performing arts  
52112 Broadcast technicians  
52113 Audio and video recording technicians  
52120 Graphic designers and illustrators  
53111 Motion pictures, broadcasting, photography and performing arts assistants and operators
